It appears there might be some confusion here. **Jeffrey Battle**, also known as **The Aerospace Professor**, is the President and CEO of Battle Enterprises, LLC, and its subsidiary The Aerospace Professor Company. He was sentenced to eighteen years in prison after pleading guilty to **seditions conspiracy** and **levying war against the United States**.

However, it's important to note that this case is distinct from another unrelated case involving a **NASA researcher and Texas A&M University professor** who pleaded guilty to charges related to hiding his ties to a university created by the
